## Security

- Guests must enter and exit through the reception area
- Guests arriving or departing outside of visitor hours must do so through security at the employee entrance
- Guest must have a visitor badge on them and visible at all times
- Visitor badges need to be returned to reception upon departure
- Guests must have an employee escort at all times
- Deliveries must be prearranged with the appropriate department
- Cameras and video taping are prohibited without security's permission

## Parking

- Park only in visitor parking
- Obey speed limit and parking lot signage
- Yield to pedestrians

## Chemical hazards

- Hazard information and safety data sheets for any chemicals must be presented to your designated Thermo Fisher Scientific escort before such material is brought onto the premises
- Safety data sheets for chemicals at Thermo Fisher Scientific are available by contacting the EHS organization

## Smoking

- Use of tobacco products is prohibited within the facility
- Smoking is only permitted in designated areas

## GMP and personal protection

- Jewelry (including, but not restricted to, earrings, piercings, rings, wristwatches, etc.) is prohibited in the operations areas. A wedding band is allowed in those areas; however, if the band contains stones or is connected to an engagement ring with stones, that ring must be secure and completely covered (taped or gloved) in the operations rooms/suites
- Socks or hosiery must be worn at all times in the operations, warehouse, and engineering areas
- Open-toed or open-heeled shoes are prohibited in the operations, warehouse, and engineering areas
- Visitors, guests, and contractors are expected to follow proper personal protection procedures while at Thermo Fisher Scientific
- Safety glasses, gloves, and other personal protective equipment (PPE) may be required in certain areas
- If entering an area where respiratory protection is required, prior approval is necessary, including medical clearance, fit testing, and use of a specifically approved respirator
- Contractors must comply with the contractor safety program, as well as all safety policies and procedures
