Phone: +1 365 366 7297

Our Whitby site specializes in commercial manufacturing across a full range of conventional dosage forms and houses a fully integrated Pharmaceutical Development Services (PDS) facility. Recognized as a center of excellence, the site offers extensive commercial-scale tech transfer experience, including capabilities in explosion-proof manufacturing, controlled substances handling, solvent granulation, and powder filling.

**Thank you for visiting, and we look forward to working with you.**

## Visiting Whitby

### Transportation

#### Closest airport

Toronto Pearson International (YYZ)

#### Facility tour compliance

All visitors must sign in and out at the lobby.

All visitors must be escorted by a Thermo Fisher Scientific employee at all times.
